

LAVASOURCE

Empowering organisations to ignite their 'People Potential'

ABOUT US

Lavasource is a multi-faceted HR services partner.

We offer HR advisory and consulting services, HR and Payroll technology implementations as well as the ongoing application support and management to ensure seamless worry-free operations.

But what sets us apart is the innovative Lavasource Talent Marketplace – an online hub and 'virtual bench of talent' that connects business leaders with an inclusive global community of skilled HR and HR Tech professionals in 70+ countries across the world.

OUR SERVICES

Talent Solutions

Expand the reach and diversity of your talent sourcing activities by tapping into our Talent Marketplace. It can help you fill your freelance, fractional or full-time roles and close your skills gaps faster. And it's free to register and post your jobs.

Consulting & Advisory

Being able to offer our clients whole-of-market experience and unbiased expert advice on HR and Payroll solutions is a priority for Lavasource. Clients value the skills and real world insights of our practitioner-led consulting team when navigating critical technology selection decisions as well as complex transformations like

- **Cloud migration**
- **Digital roadmaps**
- **People transformation projects**

Technology Implementations

No two organisations are the same. Neither are their implementation needs. We offer a range of service and support options to ensure your success.

- **Accelerated Implementation**
- **Fully outsourced project management or client-side consulting**
- **Multi-country rollouts**
- **ERP Integrations**
- **Application management and support**
